At the Expo, community members can enjoy a fun combined experience of community and connection. ### November 2024 Event Recap:

*The November 2024 CCCN Expo event was a total hit! There were over 1000 attendees, vendors, supporters, ambassadors, and volunteers who enjoyed our event at the Alex Madonna Expo Center in San Luis Obispo. Special thanks to First 5 SLO, Dignity Health, and Adventist Health Central Coast for being an event sponsor. Thank you to First 5 SLO County for donating over 200 event bags, which we were able to fill with swag, resources, and of course consignment sale purchases too!*

*Our goal with these events is always to create an event that brings the community together, provides education, promotes evidence-based birth and wellness options, and offers a fun-filled experience for everyone. And thanks to generous community contributions, we were able to turn that vision into a reality. As we continue to grow and plan future expo events on the Central Coast, we just want to let you know how vital your partnership is to our organization's success. We really appreciate everything you do. Oh, and by the way, head over to the CCCN website to read our past event [blog post](#). We've got some awesome event photos in there!*

We thank you in advance for sharing this message with the community through your platform so that we can continue to serve the amazing Central Coast community.
